

FREE – ISO/IEC 17025:2017 Transition Training Course (1-Day)

Prepare To Meet The ISO/IEC 17025:2017 Transition Deadline

Participants will exit this course with the ability to develop and administer the requirements of the standard among their entire laboratory system and gain the necessary technical skills required to transition sufficiently to ISO/IEC 17025:2017.

Course Schedule:

Troy, Michigan February 19, 2019	Troy Community Center 3179 Livernois Rd. • Troy, MI 48083 (Room 304)	9:00am - 5:00pm
--	--	------------------------

**Light breakfast and lunch will be provided. Complimentary cocktail session immediately following the training.*

Why Attend This Course?

- Learn the deadline requirements & last date you're officially allowed to conduct your transition assessment
- Learn the key differences between ISO/IEC 17025:2005 & ISO/IEC 17025:2017:
 - Overview of the major changes to the 17025 standard
 - Impartiality and confidentiality requirements
 - Complaints
 - Section 8.0, option A & B
 - Risk analysis
 - Reporting requirements
 - Proficiency testing
- Meet the expert – PJLA trainer and lead assessor will share tips on how to implement sufficiently and share assessor expectations.
- Case studies and a short exam will be provided
- Delegates will receive an official training certificate
