

Perry Johnson Laboratory Accreditation - PJLA Event

“PJLA Accreditation, Enhancing Laboratories Competitiveness”

Date: Thursday, April 24, 2025

Time: 14.00-18.00 Hrs

Location:

Holiday Inn Mumbai International Airport, Sakinaka Junction, Andheri Kurla Road, Andheri East, Mumbai, India, 400072

We are pleased to invite you to an insightful seminar titled: **“PJLA Accreditation, Enhancing Laboratories Competitiveness”**

In today's competitive and highly regulated industries, accreditation plays a crucial role in ensuring the competence and credibility of conformity assessment bodies (Laboratories, Inspection and Certification Bodies). This seminar will provide an in-depth understanding of the **Perry Johnson Laboratory Accreditation (PJLA)** accreditation process and its role in strengthening compliance, enhancing laboratory performance, and unlocking business opportunities.

Key Topics:

- Understanding PJLA accreditation and its significance
- The accreditation process: requirements and steps
- Benefits of PJLA accreditation for testing and calibration laboratories, inspection bodies, and certification organizations
- Ensuring compliance with international standards (ISO/IEC 17025, ISO/IEC 17020, ISO/IEC 17065, etc.)

Who Should Attend?

This seminar is ideal for professionals from testing and calibration laboratories, certification bodies, inspection agencies, regulatory authorities, and quality assurance teams looking to achieve or maintain PJLA accreditation.

Why Attend?

- Gain insights into the PJLA accreditation process and its impact on business credibility
- Learn from experts and industry leaders in conformity assessment
- Network with peers and accreditation professionals

Join us for this informative session and discover how PJLA accreditation can elevate your organization's quality standards and global recognition!
