Update Notification # 49 Environmental DoD, DOECAP, TNI and state CABs

Update Notification Release Date: 10/26/20

Form/Procedure/Policy:

LF-56 TNI 2016 Work Document Rev 1.0 (New)

LF-56 DoD, DOE, TNI Working Document 5.3 Rev 1.8

Attention All Applicant and Accredited CABs:

PJLA has updated the LF-56 DoD, DOE, TNI Working Document. All DoD ELAP CABs will be assessed to the LF-56 DoD, DOE, TNI Working Document 5.3 Rev 1.8 version DoD QSM 5.3 effectively immediately.

PJLA has also created the TNI 2016 Working Document, LF-56 TNI 2016 Working Document Rev 1.0 (new). This working document is inclusive of all TNI 2016 standard requirements. Any CAB that would like to be assessed for DoD ELAP and additional environmental standards will be required to be assessed to both checklists.

Thank you!
