

PJLA Update Notification

Update Notification # 6

Update Notification Release Date: February 22, 2010

Form/Procedure/Policy: Update of PJLA Accreditation Criteria Documents

Attention all PJLA Accredited or Applicant Laboratories:

As an accrediting body, PJLA is required to adhere to the requirements of ISO/IEC 17011:2004. This requires us to notify all interested parties including accredited and applicant laboratories of any changes in our accreditation requirements, documents, policies etc. The following documents have been updated and can now be found under the PJLA documents or PJLA technical documents section on our website.

SOP-1 Accreditation Procedure

SOP-3 Accreditation Symbol Procedure (Please refer to update notification #5)

SOP-9 Complaint Procedure

SOP-10 Dispute and Appeal Procedure

SOP-11 Suspension, Withdrawal, or Reduction of Accreditation Procedure

PL-1-Proficiency Testing Requirements for Applicant and Accredited Laboratories
(Correction to formula statement only. No revision change)

PL-2-Policy on Measurement Traceability

If you have any questions in regards to the above updated documents, please feel free to contact PJLA headquarters.
